

## Shop Pay One-Click Checkout Now Available on Global-e Platform

October 15, 2025

*Global-e merchants using Shopify can now offer Shop Pay's one-click checkout option across international markets operated by Global-e*

PETACH TIKVAH, Israel, Oct. 15, 2025 /PRNewswire/ -- [Global-e](#) (NASDAQ: GLBE), the platform powering global direct-to-consumer e-commerce, announced today that [Shop Pay](#) is now available for Global-e merchants on Shopify. As part of the new partnership agreement with Shopify, Global-e can now enable its Shopify platform-based merchants to offer Shop Pay's one-click checkout with pre-filled details as part of the shopping journey operated by Global-e.

"Shop Pay offers merchants an accelerated checkout experience that drives conversion and enhances customer loyalty," said Atlee Clark, VP, Partnerships at Shopify. "By making Shop Pay available on Global-e's platform, brands using Global-e can now offer a consistent, seamless checkout experience to their international shoppers."

"We're pleased to provide Shopify's Shop Pay express payment option as part of our leading global e-commerce solution for Shopify merchants," said Matthew Merrilees, CEO North America for Global-e. "This addition enhances the comprehensive suite of tools and capabilities we offer to help merchants optimize their international operations."

This announcement builds on Global-e and Shopify's [multi-year strategic partnership agreement](#) signed in May 2025, which includes exclusive access to certain features available on the Shopify platform for Global-e to simplify international selling, buyer conversion, and logistics for merchants.

### **Cautionary Note Regarding Forward Looking Statements**

Certain statements in this press release may constitute "forward-looking" statements and information, within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, the continuing availability of Shop Pay on Global-e's platform, that it offers merchants an accelerated checkout experience that drives conversion and enhances customer loyalty, and its enhancement to the comprehensive suite of tools and capabilities that Global-e offers to help merchants optimize their international operations. These forward-looking statements, which involve known and unknown risks, uncertainties, and other factors that may cause actual results, performance, or achievements to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. These factors include, but are not limited to: failure to attract new merchants, or the merchants we do attract fail to generate GMV or revenue comparable to our current merchants; failure to develop or acquire new functionality or enhance our existing platform; failure to successfully compete against current and future competition; failure to integrate our platform with e-commerce platforms; failure to maintain the functionality of our platform; failure to manage our growth effectively; risks associated with cross-border sales and operations; risks associated with governmental export controls; the compromise of personal information of our merchants and shoppers we store; failure to enhance our reputation and awareness of our platform; diminished demand for our platform and services as a result of changes in laws and regulations; actual or perceived failure to comply with stringent and changing laws, regulations, standards and contractual obligations related to privacy, data protection and data security; failure to adequately maintain, protect or enforce our intellectual property rights; our ability to develop or maintain the functionality of our platforms, including real or perceived errors, failures, vulnerabilities, or bugs in our platforms; and other factors discussed under the heading "Risk Factors", under heading "Operating and Financial Review and Prospects," and under heading "Business" in Global-e's Annual Report on Form 20-F for the year ended December 31, 2024, filed with the SEC on March 27, 2025 and other documents filed with or furnished by Global-e from time to time with the Securities and Exchange Commission (the "SEC"). You should carefully consider the foregoing factors. When used in this press release, such statements include such words as "may," "will," "expect," "believe," "plan," and other similar terminology. These statements reflect management's current expectations regarding future events and operating performance and speak only as of the date of this document. Other than as required by law, there should not be an expectation that such information will in all circumstances be updated, supplemented, or revised whether as a result of new information, changing circumstances, future events, or otherwise.
